Dear President / Secretary General / Team Leader,

Through this information letter we want to announce the results of the 2nd WKC E-Kempo.

We can certainly say that this event has been a success.

We received 810 videos from 20 countries for the 4 divisions, Kata-Hard / Kata-Soft / WeaponKata-Hard / WeaponKata-Soft.

Because there were many registrations we could use all age categories, so that we could divide a total of 67 categories.

This championship was judged by 8 referees from 4 countries.

The categories were divided in such a way that a referee had none or as few candidates from his own country as possible to judge.

All 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> places will receive a digital diploma and medal.

We also want to thank Filipe Noronha, for his enormous contribution to the organization of this championship.

We want to express our respect to all participants and congratulate the winners.

We hope to see you again at our next championship
